This year's theme: **The Year of the Lord's Favor.**

The Feast of Tabernacles (Sukkot) is filled with joy, praise, and thanksgiving to our God. The significance of the Feast stretches through time from God's call (Leviticus 23), to the time of Jesus (John 7), to the future when all nations will celebrate (Zechariah 14). This same Feast of Tabernacles has great significance for the Church today. Join us for this awesome time of praise, worship, and teaching followed by personal prayer ministry. Come and experience *The Feast of Tabernacles!*
